

## Graham Worth M.A. D.Phil.

University College London  
20, Gordon St., London, WC1H 0AJ, U.K.  
e-mail: g.a.worth@ucl.ac.uk

### Scientific Profile

Area of research: Theoretical and computational chemistry.  
General Interests: Molecular dynamics simulations of chemical systems.  
Specialisation: Application of wavepacket dynamics to Ultrafast Non-adiabatic photochemistry.

### Employment

Oct 92 - Dec 93	EMBL Fellow, European Molecular Biology Laboratory (EMBL), Heidelberg. Group leader: Dr. R. Wade
Jan 94 - Dec 95	E.U. Human Capital and Mobility (HCM) Fellow, University of Heidelberg. Group leader: Prof. L.S. Cederbaum.
Jan 96 - Dec 00	Research Position (Wissenschaftlicher Angestellter), University of Heidelberg. Group leader: Prof. L.S. Cederbaum.
Jan 01 - Aug 03	Research Fellow, King's College London. Group leader: Prof. M.A. Robb.
Sep 03 - Apr 05	Lecturer in Chemistry, King's College London. Visiting Research Fellow, Imperial College, London.
May 05 - Apr 10	University Research Fellow, University of Birmingham.
May 10 - Mar 13	Senior Lecturer, University of Birmingham.
Feb 12	Visiting Professor, University of Strasbourg.
Mar 13 - Jun 16	Professor of Theoretical Chemistry, University of Birmingham.
Jul 16 - Now	Professor of Computational Chemistry, University College London.

### Education

1985 - 89	B.A. (Hons) Chemistry	St. Edmund Hall, University of Oxford. Upper Second Class. Supplementary subject "History and Philosophy of Science".
1989 - 92	D.Phil. Chemistry	St. Edmund Hall, University of Oxford Supervisor: Prof. W.G. Richards.
